Enclosure No. 2.

Sir,

I now beg to enclose proposals for reducing the Plague Staff on the Gold Fields and Bowringpet Taluks; Dr. Krishna Swami Iyer had sent in proposals a few days ago, but as I considered them rather too sweeping as they included himself and both Assistants, I requested him to consult with Dr. Odonnell to whom I also wrote on the subject, with the result that he agreed with me and requested that Dr. Krishnaswami Iyer and Mr. Sewell as his assistant might be at least be kept on for some little time longer as the fields are not entirely free
